Power supplies, relays and switches

Power Supplies

Part No.	Description
DA97	Audio power supply.
DA97-R	As DA97 but with a relay fo switching locks direct e.g. CISA.
DA12	12v D.C. 2amp power supply suitable for intermittent use.
DA20-R	Video booster power supply for larger video systems.
DA500	500 series video power supply (for up to 5 phones).

Dimensions (mm)	Height	Width	Depth
	150	127	100

Part No.	Description
900C-PSU	200 series video systems power supply.
500-PSU	500 series video systems power supply (for systems from 5 to 25 phones).

Dimensions (mm)	Height	Width	Depth
	305	235	100

500-AUX	500 series video systems auxillary power supply.

Dimensions (mm)	Height	Width	Depth
	210	155	52

Part No.	Description
PSU-12V2A	2 amp power supply suitable for Maglocks. Includes a trickle charging circuit for a rechargeable battery (not included).

Dimensions (mm)	Height	Width	Depth
	200	230	80

Part No.	Description
PSU-12V3A	3 amp power supply suitable for Maglocks. Includes a trickle charging circuit for two rechargeable batteries (not included).

Dimensions (mm)	Height	Width	Depth
	330	360	85

System Relays

Part No.	Description
IC7RU	Intercom relay.
99RU	Audio 2 door auto relay.
99VRU	Video 2 door auto relay.
900-VS4	75 ohm coaxial four-way video splitter.
500-DCU	500 series door capture relay.
500-VS4	500 series four way video splitter.

Dimensions (mm)	Height	Width	Depth
	150	127	50

Switch Relays

Switch relays suitable for local lock switching (eg Cisa lock), to interface with third party devices and timing functions.

GPRU	General purpose relay.
GPRU-BX	Boxed general purpose relay.
GPRU-DP	General purpose relay - double pole - PCB only.
GPRU-DP-BX	General purpose relay - double pole - boxed.
TMR11	Multi-function timer.

Switches

Digital time switch

12 volt digital seven-day time switch for provision of a trades facility. Eight daily time intervals, battery reserve and automatic GMT/BST adjustment.

TS2000-BST

Press-to-exit switches

Press-to-exit switches for use with maglocks or other access control devices.

PB-P/EXT/S	Stainless steel surface.
PB-P/EXT/F	Stainless steel flush.
PB-RTE-TMR	Exit timer.
PB-P/EXT/W	White (internal use).
PB-BRK-GLS	Break-glass emergency exit switch.
